

WHERE
OPPORTUNITY
KNOCKS

Opportunity needs a door to knock on. Ours could be yours.

Maybe you've outgrown your home office, or maybe you're looking to downsize from a restrictive commercial lease. Maybe you're just tired of the daily commute into Houston and want an office location closer to home, without sacrificing the shared office amenities that you've grown to love.

When you're ready to set up shop in Katy, we've got a workspace that works for you. Schedule a tour today.

Step Inside...

Nestled in a quiet corner just one mile from I-10 and the Grand Parkway, KTX Coworking is the shared office solution you've been looking for. Our versatile floor plan accommodates:

- Private offices for individuals
- Coworking and collaboration spaces
- Small-team private office space for up to four
- On-demand conference rooms and meeting spaces

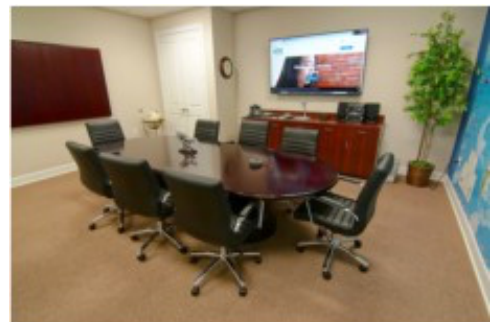

Your-Name-Here

Our Virtual Address Packages provide the small business basics you'll need to be ready when opportunity knocks including:

- A professional business mailing address and mail handling
- A dedicated local phone number and telephone answering
- Access to on-site meeting facilities and networking events
